April 7, 2025

Hello,

Harney HOPE opened its doors in 1983 and has remained committed to serving the entire Harney County community with compassion, dignity, and hope. For over four decades, we have stood as a safe space and a resource for individuals and families facing crisis, providing vital services without judgment and barriers.

Our mission is rooted in the belief that everyone deserves access to safety, support, and the opportunity to rebuild their lives. Whether someone is facing domestic violence, sexual assault, homelessness, or the aftermath of a disaster, we are here to help—day or night, regardless of background, age, or income.

We are actively responding to the urgent needs of those affected by the recent flooding in our area. Many families have lost everything and need immediate support.

We are collecting and distributing donations such as clothing, bedding, hygiene items, non-perishable food, and cleaning supplies to help those impacted begin the recovery and rebuilding process. HHOPE is working with the Red Cross, Oregon DHS, and other state/local emergency organizations to ensure displaced families have access to necessities and safe shelter.

We are reaching out to ask for your partnership. Whether through financial contributions, donations of goods, volunteer time, or spreading the word, your support will allow us to meet the growing needs of our neighbors during this difficult time.

Thank you for standing with us. Together, we can make a meaningful difference in the lives of those who need it most.

With gratitude,

Melissa Albertson

HHOPE Executive Director
